

Program Details + AV Requirements for Carol Grace Anderson

PROGRAMS:

Keynote/General Session Topics
Get Fired Up Without Burning Out! ®
Fired Up Leadership!
Get Fired Up Sales! ®

TRAVEL EXPENSES:

Airfare in the continental US is included in fee. And all other expenses are covered by speaker except hotel. That will be prepaid or billed to client.

HOTEL PREFERENCE:

Non-smoking room. Client is responsible for arranging accommodations; room will be applied to Client's Master Billing.

ATTENDEE GIFTS:

All of Carol Grace Anderson's products are available for attendee gifts. Discount pricing is available on volume purchases. If you would like info on Carol's "Get Fired Up" products, please contact your bureau for more information. See samples at her online store.

AUDIO or VIDEO RECORDING:

Carol is willing to have her presentation recorded with prior approval. If so, please provide speaker with a DVD of the presentation.

A/V NEEDS & ROOM SETUP:

These are the audio/visual requirements. Please contact us if you have any questions.

- _ Wireless hand-held microphone
- _ Podium with bright lighting directed towards the stage
- _ CD player with a technician to operate
- _ Room temperature fairly cool
- _ Room set theater-style, crescent-shaped, if possible
- _ Carol will need a short sound-check at least one-hour prior to the program
- _ Two, 6-foot display tables in the back of the room for a book signing following her program.
